Fishers Island Award Program Honors the Achievement

FISHERS ISLAND June 5, 2014 -- Weil Farms has been selected for the 2014 Best of Fishers Island Award in the Honey category by the Fishers Island Award Program.

Each year, the Fishers Island Award Program identifies companies they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Fishers Island area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2014 Fishers Island Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Fishers Island Award Program and data provided by third parties.
